

**Kevin Comstock**  
***Smart Cities Director***  
***City of Chattanooga***

Kevin Comstock has over 35 years of experience in the transportation and telecommunications industry. He currently serves as the Smart Cities Director for the City of Chattanooga, TN where he employs his specialties which include project management, strategic planning and collaborative team-building.

Kevin graduated summa cum laude from Middle Tennessee State University with a BS in Professional Studies and a concentration in Organizational Leadership.

Professionally, Kevin was the 2017 President for Tennessee Section of the Institute of Transportation Engineers (ITE) and currently serves as the Chair of the Technical Knowledge committee for the Southern District of ITE. In addition, Kevin serves as the Local Government representative to the Tennessee Traffic Signal User Group's Steering Committee.

He and his wife of 42 years spend much of their time with their two sons and five grandchildren.
